UPDATING CURRENT HEALTH ORDER:

Sanders and Luebbert provided information to the Board on the current COVID-19 case count, vaccination rate & the current regional hospital data. Vernon presented information regarding 40% of eligible Platte County residents have initiated COVID vaccinations according to the Deloitte Report. Vernon also reported that vaccine demand has dramatically declined, with plans to transition in early June from the Riverside Mass Vaccination site to vaccinating at the PCHD Parkville location as well as outreach into the community.

Luebbert presented language to amend the current Public Health order.
