immunizations

Effective July 15th, 2019 the Platte County Health Department in Parkville, MO will allow appointments to be scheduled for those needing vaccinations. Our goal is to help facilitate the needs of our patients so that we may provide the best service possible, particularly during our back to school season. We believe that by doing this, we will greatly reduce your wait time during your visits.

Immunizations are provided M-F from 8:00 a.m.—3:45 p.m. Call today to set up your appointment at 816-587-5998. Thank you for allowing the Platte County Health Department to be a partner in your health.

Sincerely,

The Platte County Health Department
